

## **MVLC Student Advisory Board Member: Corinne Frutiger**

Corinne Frutiger is a 2L at Marquette Law School who is focusing on family and juvenile law. She attended UW-Madison for undergrad and double majored in English and Biological Anthropology. Corinne is focusing her legal studies on family and juvenile law because she wants to help people and believes these practice areas will allow her to do so. Corinne is also a part of the Public Interest Law Society and was a PILS Fellow during Summer 2016.

At Marquette, she is an officer of the Marquette Legal Writing Society and the Children and Family Law Society. This spring, she also competed in the Jenkins Honors Moot Court competition. In her free time, she enjoys spoiling her two dogs, Socks (Rottweiler) and Bruce (English Bulldog). If she is not hanging out with them, she is usually reading (for fun, if time permits).
