Hannah Zacharias**

SAB Member Hannah Zacharias is graduated this May from Marquette Law School. Originally from Milwaukee, WI, Hannah graduated from Wisconsin Lutheran College in 2009 with a major in chemistry. Hannah worked for many years in quality control for a seasoning manufacturing company and volunteering at a free health clinic. After law school, Hannah plans to practice administrative law focusing on employment and workers compensation in Wisconsin. Hannah has volunteered with the MVLC at the MJC and other locations and has really enjoyed the opportunity being an SAB member. With any free time, Hannah loves reading and making costumes for conventions and most of all her two cats Noa and Hal.
