

## **MVLC Student Advisory Board Member: Nettie Rausch**

Nettie is currently a second-year law student at Marquette Law School. Nettie attended Illinois Wesleyan University for her undergraduate career where she graduated with a double-major in Spanish and Sociology. During her time at Wesleyan, Nettie ran both cross country and track – an activity she still enjoys doing to this day. Utilizing both of her degrees and her fluency in Spanish, Nettie wants to pursue a career as a Public Defender and serve those that are not familiar with our criminal justice system, or even the English language.
