PARKING AVAILABILITY
FOR FULL-TIME LAW STUDENTS
2012 – 2013

Free parking will be available for all new law students during Orientation, August 20 and 21, in the Wells Street Parking Structure—also known as Structure 2—at 1240 W. Wells Street (building #67 on the campus map). Simply tell the lot attendant that you are a law student participating in New Student Orientation and the gate will be opened.

Beginning Tuesday, September 4 (the day after Labor Day), and continuing for the remainder of the semester/academic year, any student who wishes to park in University lots must have a parking permit displayed on his/her vehicle.

Parking lots available for full-time students include Parking Structure 2 and Lot T (609 N. 19th Street). Structure 2 is a short walk to Eckstein Hall; Lot T is approximately nine blocks from Eckstein Hall. The cost for a parking permit for full-time students is $226 per semester or $452.00 for both fall and spring semesters.

Please note that it is not possible to purchase a parking permit specifically for Eckstein Hall. The parking policy for Eckstein Hall is available online. You will read that the Eckstein Hall Parking Structure policy serves two purposes: (a) the first purpose is to facilitate the parking of members of the public participating in certain law school activities, and spaces therefore will be set aside on a daily basis according to the number and types of Law School events; and (b) beyond this, parking is available, as a secondary matter, on a first-come first-served basis, to Law School students and employees who have paid for University parking.

APPLY FOR PARKING ONLINE BETWEEN JULY 11 AND 24. Parking is tight on campus and you will find that street parking is limited. You will need your eMarq username and password in order to login to the site. Contact the ITS Help Desk at 414-288-7799 should you need help with your eMarq account information.

The website for purchasing parking permits is:

Students who purchase parking permits online by early August will be able to pick up those permits in the Student Services Office (Room 238) of the Law School the week of August 13 as well as during Orientation (August 20 and 21) and the first two days of classes. The gate to Structure 2 will be open on the first few days of classes.
