Can I Take Out More Federal Loans for Summer School?

Are you taking or are planning to take fewer than six credits during the summer session?

1. **Immediate Option:** If you did not borrow the maximum Federal Financial Aid that you were awarded for the 2011 – 2012 academic year, contact the Office of Student Financial Aid for assistance at 414-288-4000. You may be able to borrow these loans now in order to use them to fund your summer costs. These loans must be requested and processed no later than April 30th.

2. **Final Option:** If you borrowed the maximum Federal Financial Aid that you were awarded for the 2011 – 2012 academic year, you may be considered for a Private Alternative Loan. For more information about this loan option, visit Marquette’s Alternative Loan Options.

Are you taking six or more credits during the summer session?

1. Register for classes first.

2. Fill out a Summer 2012 Financial Aid Application, return it to Marquette Central, and a summer aid package will be determined.

3. An email will be sent notifying you an award is available on CheckMarq.

4. If you have borrowed all of your 2011-12 Stafford Loans, you may still be eligible for an additional Grad PLUS Loan. You must complete the Summer 2012 Federal Direct Grad PLUS Loan Credit Authorization Form, and the loan must go through a credit check process. If the loan is denied, you have the option to obtain an endorser.

Are you planning on studying at another foreign or domestic institution?

1. Contact Bonnie Thomson, Associate Dean for Administration.
