Hello Class of 2016! I’m Carl and I would like to represent you in SBA. If I haven’t had the opportunity to tell you in person here is why…

Like the rest of you, I am still acclimating myself to being a law student. There are no words that can accurately describe the range of feelings and emotions I have felt thus far in the semester. While I am still trying to wrap my mind around what is necessary for mutual assent in a contract (and failing miserably), I do, however, know when I see a great community of people that are bound to do great things now and in the future. As your 1L Representative, I would like to help make your three years here at Marquette as useful and enjoyable as possible in whatever way I can.

I feel the foremost responsibility of a student representative should be to forward the student body’s interests, not my own. If elected as your representative I will listen to your ideas, your wishes, your concerns, and then ultimately act to implement them. My agenda begins and ends with you. If the Class feels more social opportunities should be made to take some pressure off, I’m going to do that. If you feel SBA should be doing more to meet student’s academic and networking concerns, I’m going to advocate for those ideas.

I am not the best orator. Nor am I the best writer (as you have probably surmised). What I am, what I will be for you, is a good worker. I give you my word I will not treat this as a check for a nice “soft” on a resume. I will treat the privilege of representing you and the class of 2016 as a duty not to be understated or ignored. Please grant me your vote.

Thank You,

Carl Knepel
