

MARQUETTE UNIVERSITY LAW SCHOOL
REGISTRATION - SUMMER SESSION 2021

Registration for the 2021 Law School Summer Session will take place on CheckMarq, beginning on April 1, 2021. Please register on CheckMarq no later than **Thursday, April 8th at 12:00 noon**. While students may enroll in a summer course any time before the class begins, the decision of whether or not to offer a course will be based on CheckMarq enrollment as of April 8, 2021. After April 8, 2021, students will be notified if a course will **not** be offered. If a student wishes to drop after the initial registration, s/he must drop on CheckMarq before the end of the second day the class meets.

Students registered for the Law School Summer Session will receive an e-mail in their eMarq account notifying them that the e-bill is available to view in CheckMarq. Payment in full or payment arrangements (tuition remission, confirmed financial aid or University approved third party sponsors) must be made by the payment due date on the billing statement to avoid cancellation of courses. Both law and sports are primarily rule-governed activities, and thus both present similar fundamental (and thus often highly theoretical) questions regarding the formulation, application, and enforcement of those rules. These questions include: the extent to which formal, written rules (as opposed to informal norms) are the exclusive source of authority; what the mechanisms for the enforcement and application of those rules or norms should be; how to respond to situations in which a decision maker has imperfect information; whether and how to provide a right of appeal; how to distinguish between "cheating" and the strategic use of rules; and how to craft appropriate sanctions for violations

However, it is more likely that the final assignment will be due on the last day of class. Given the Covid protocols still in place, I have chosen for this class to be remote, and fully synchronous, so that we can see each other without need to wear masks, and so that we can work on in-class exercises in small groups more easily (via Teams breakout rooms) than if we were socially-distanced in the classroom. We will still meet live (via Teams), synchronously, during all regular class times.
