

Policy on Student Complaints Relating to ABA Program of Legal Education Standards

In accordance with Standard 510 of the American Bar Association's Standards for the Approval of Law Schools, students at Marquette University Law School may share any complaints about the Law School's program of legal education as it relates to matters that directly connect to the Standards. For purposes of this policy, a "complaint" is a communication in writing that seeks to bring to the attention of the Law School a significant problem that directly implicates the Law School's program of legal education and its compliance with the Standards. The Law School administration welcomes any feedback along these lines.

Any student who wishes to file such a complaint should submit it in writing to the Associate Dean for Academic Affairs. A student's complaint must identify the ABA Standard that is at issue, identify the student, and include the student's permanent and email address.

The Associate Dean for Academic Affairs, with the cooperation and assistance of appropriate faculty member(s) and administrator(s), if necessary, will investigate the complaint and, if warranted, take action to address the situation. The student who filed the complaint will be provided with an initial response within 30 days of receipt of the complaint.

The Law School Registrar shall keep a record of all such complaints and of follow-up actions taken during each ABA accreditation period.
