HYGIENE NEEDS

We do more than just distribute food at our community food center...

Supplemental Nutrition Assistance Program or SNAP benefits (also known as food stamps) cannot be used to pay for personal care items. As with food insecurity, hygiene insecurity is more prevalent than most people realize. When we provide hygiene products to our community, everyone can feel dignified, clean, and healthy.

Please NO travel size hygiene items. Full sized items allow community members to bring them home to their families and will have the most impact.

Below are our top needs for hygiene items within our community...

- Black haircare:

- Shampoo and conditioner
- Body wash scrubbies
- Hair crème
- Styling gel

**preferred brands: Cantu, Shea Moisture, Carol's Daughter*

- Shower:

- Body wash
- Shampoo and conditioner
- 2 or 3-blade razors

- Dental care:

- Toothbrushes
- Toothpaste
- Floss
- Non-alcoholic mouthwash

- Personal care:

- Shaving cream
- Deodorant
- Body lotion
- Combs and brushes

- Feminine care:

- Pads
- Tampons
- Reusable cups

- Infant needs:

- Baby shampoo
- Baby lotion
- Diaper ointment

- Toilet paper

- Hand soap

Together we can create change by restoring dignity to our neighbors.
