WELCOME, Class of 2022! This FaceBook group opens long before you enroll at Marquette Law School. We hope that the postings and dialogue along the way will help you as you decide and plan for enrollment. To help you with questions, a number of our law student ambassadors are a part of the group, too. Presuming that you join us in the fall, you will continue to find this group a resource for law student announcements.

This group is a group within Marquette University (that is, it is considered a “school group” by FaceBook). As such, to join the group you must have your Marquette email address listed in your “Contact and Basic Info” on FaceBook. You may have multiple email addresses on FaceBook, you simply need to add your marquette.edu address. Directions follow, if you need them.
On your page go to “About”. Then click on “Contact and Basic Info.”
You need to get to the “edit” function for email. Hover over the space next to “email” until the Edit link appears and click on that link.
1) You should now see “+Add / Remove Emails.”
2) Click on that link. I expect that you get the idea from here—Next screen lets you choose to “add another email;” add your Marquette.edu email, SAVE Changes.
After saving, you will see a message that will indicate that you have been sent a confirmation email (to your Marquette email account). You will need to login to your Marquette account and follow the instructions to confirm. After this, you should be able to request to join the FaceBook group: https://www.facebook.com/groups/MULaw2022/. Your request will need to be approved. As long as the request is submitted at a reasonable time of the day, it should be approved within a short timeframe.
