

## GREEN FACILITY LINKS CHART

{Appendix 8, to [Sports Facility Reports, Volume 12](#)}  
Research completed as of August 4, 2011

### Green Industry Links

- [ASHRAE.org](#) - The American Society of Heating, Refrigerating and Air-Conditioning Engineers advances technology to serve humanity and promote a sustainable world.
- [B Corporation](#) - Certification that represents a company that has comprehensive and transparent social and environmental performance standards, institutionalizes stakeholder interests, and builds a collective voice through the power of a unifying brand.
- [BuildingGreen.com](#) - An independent publishing company that looks to provide accurate, unbiased and timely green design information.
- [California Building Standards Commission](#) - California green building standards.
- [CERES.org](#) - Business for Innovative Climate & Energy Policy—offers a new arena for business involvement in advancing climate and energy policies to counter the far-reaching risks and challenges posed by global climate change.
- [The Daily Green](#) - A consumer's guide to the green revolution.
- [DSIRE.org](#) - A comprehensive source of information on state, local, utility and federal incentives and policies that promote renewable energy and energy efficiency. Established in 1995 and funded by the U.S. Department of Energy, DSIRE is an ongoing project of the N.C. Solar Center and the Interstate Renewable Energy Council.
- [DNR: Wisconsin](#) - The Bureau of Cooperative Environmental Assistance. The Green Tier is an initiative of the Wisconsin Department of Natural Resources to help provide credible and creative ways to enable businesses to be powerful and sustainable forces for environmental good while cutting cost and enhancing productivity.
- [Energy Star](#) - The Energy Star certification for green buildings.
- [Environment Education](#) - Simple website with the goal of environmental education.
- [Environmental News Network](#) - A collection of resources that provide information about the field of environmental science.
- [EPA.gov/greenbuilding](#) - The U.S. Environmental Protection Agency website providing information about green building.
- [EPA.gov/sustainability](#) - The U.S. Environmental Protection Agency website providing information about sustainability practices.
- [GreenBiz.com](#) - Green Business News, Resources, and Sustainability Career Tools.
- [GreenBuildingServices.com](#) - Green Building Information and Resources.

- [Green Business Bureau](#) - Green Business Certification.
- [GreenDiary.com](#) - A guide to sustainable living.
- [GreenEDU.com](#) - Green Education Services.
- [Inhabitat.com](#) - Weblog devoted to the future of design, which tracks innovations in technology, practices and materials that are pushing architecture and home design towards a smarter and more sustainable future.
- [Landscape Management](#) - A blog with a list of sustainable landscape information.
- [NRDC.org](#) - The Natural Resources Defense Council provides information on green building.
- [Resource Venture](#) - Green Business Solutions, a service of Seattle Public Utilities.
- [Sustainable Life Media](#) - A leading producer of sustainable business conferences and educational events.
- [Urban Green Council](#) - Leading the advancement of sustainability in the urban built environment. Established in New York City to serve as a model for other cities, through education, advocacy, collaboration, and research.
- [USGBC.org](#) - Official website of the U.S. Green Building Council.
- [USGBC.org LEED](#) - U.S. Green Building Council's eligibility requirements for LEED certification.
- [WGBA.org](#) - The Wisconsin Green Building Alliance, an affiliate of the U.S. Green Building Council, representing all of their programs in the State of Wisconsin.

## Green Financing Links

- [Database of State Incentives for Renewables & Efficiency](#) - Federal incentives and policies for renewables and efficiency.
- [DSIREUSA.org: Wisconsin](#) - Database of State Incentives for Renewables & Efficiency. This site provides Wisconsin-specific incentives and policies.
- [Green Building Finance Consortium](#) - Publications, presentations, and other industry links.

## Sports Industry Related Links

- [AASHE.org](#) - Ten Tips for Developing a Sustainability Game Plan for Athletic Departments.
- [Airfield Systems](#) - Sustainable Design for Artificial and Natural Grass Sports Fields.
- [EPA.gov: Stadiums](#) - The U.S. Environmental Protection Agency's recycling initiatives pertaining to sports facilities.
- [EPA.gov Webinar](#) - A Sports Stadium recycling webinar presented by Scott Jenkins, Vice President, Ballpark Operations of the Seattle Mariners/Safeco Field and Al Matyasovsky, Supervisor of Central Support Services at Penn State in University Park, Pennsylvania - 01/15/09.
- [Fair Trade Sports](#) - The world's first line of sports balls for soccer, football, and basketball that are certified green and certified fair trade.

- [Going, Going Green](#) - As global warming changes the planet, it is changing the sports world. To counter the looming environmental crisis, surprising and innovative ideas are already helping sports adapt.
- [GreenSports.org](#) - Where teams go green.
- [GreenSportsAlliance.org](#) - Collaboration of sports leagues to reduce the environmental impact of professional sports.
- [The Green Sports Scorecard](#) - Developed by the Institute for Corporate Responsibility at the George Washington University School of Business to help sports organizations assess their environmental friendliness.
- [Green Sports Venues](#) - Provides news articles related to green sports facilities.
