## SPORTS LAW ALUMNI SCHOLARSHIP DRIVE

After several months of planning, we are now ready to begin what will become an annual drive to encourage donations to support the Annual Sports Law Alumni Scholarship fund. The fund was created by the Sports Law Alumni Association to show support for the NSLI, Marquette's Sports Law Program, and particularly the *Marquette Sports Law Review*. Scholarship funds are allocated annually to the editors of the *Marquette Sports Law Review*.

Several members of the Sports Law Alumni Association have volunteered to serve on a Scholarship Committee in the past. Since that time we have created a database of graduates who may be interested in donating to the Scholarship fund. Committee members will sign letters that will be sent out to alums, specifically those in their graduating class, seeking donations for the Annual Scholarship fund. The letters will be developed with the assistance of the Law School's Advancement office.

If you are interested in assisting in this project, please send an email to SLAA Chair Paul Anderson at [paul.anderson@mu.edu](mailto:paul.anderson@mu.edu).

## Student Outreach

Many of our students are interested in talking to graduates who have gone through the Sports Law Program, who work in an area of the sports industry that they are interested in, or who would be willing to talk to them about steps they can take to prepare themselves for employment after law school. In an effort to serve these students we would like to create a Student Outreach portion of the SLAA website that will include links to phone numbers or emails of SLAA members who would be available to talk to students. If you are interested in speaking to our current law students please send your email and phone number to SLAA Chair Paul Anderson at [paul.anderson@mu.edu](mailto:paul.anderson@mu.edu).

*From the desk of Jason Kraiss, Director of Development Programs, Marquette University Law School:*

As of July 29 I will be relocating my office to Sensenbrenner Hall, Room 340A. If I can ever be of assistance to you, do not hesitate to contact me directly at (414) 288-5285 or [jason.kraiss@mu.edu](mailto:jason.kraiss@mu.edu). Thank you.
