Q1. Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q39. The state transportation budget is currently expected to face a \$939 million shortfall in the next budget. Which approach would you prefer for dealing with this: Increase gas taxes or registration fees to maintain current spending on road projects OR Cut most or all of the \$939 million from road projects to avoid any increase in taxes OR Borrow most or all of the \$939 million to maintain current taxes and road projects.
