Q1. Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q37. What do you think Hillary Clinton's position is on undocumented immigrants. Does she think they should be allowed to stay in their jobs and to eventually apply for U.S. citizenship. OR, they should be allowed to stay in their jobs only as temporary guest workers, but not to apply for U.S. citizenship. OR, they should be required to leave their jobs and leave the U.S.
