Q1. Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q31. What would you like to see Congress do when it comes to the 2010 health care reform law? They should keep the law as it is. They should keep the law in place and work to improve it. They should repeal the law and replace it with a Republican-sponsored alternative. They should repeal the law and not replace it.
