Q1.

Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q42.

As you may know, Foxconn Corporation has announced it will build a large video display factory in Racine County employing up to 13,000 workers. The state is providing up to \$3 billion dollars of taxpayer money to Foxconn as an incentive to locate the plant in Wisconsin. Do you think the Foxconn plant will ultimately provide this much or more benefit to the state or is the state paying more than the plant is worth?

Q49.

As you may know, in 2011 a law known as Act 10 eliminated most collective bargaining for public employees in Wisconsin. Would you like to see collective bargaining for public employees returned to what it was before Act 10 was passed or keep the current law that eliminated most collective bargaining?
