

The Marquette Law School Poll

October 3 - 7, 2018

Abstract

Registered Voters

This file contains **registered voter** crosstabulations of each non-demographic question with variables for sex, age, education, income, party identification with leaning independents, party identification without leaners, marital status, race and ethnicity, religious service attendance, religious affiliation, born again or evangelical identification, political ideology, urban/rural status, and region of the state. To calculate the numeric size of a response, multiply the percent by the subsample size, indicated in the “n” column. **Statistics for very small samples (such as “Don’t Know” responses) have very high margins of error and should be disregarded.**

Q1.

Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q25.

How much attention did you pay to the recent senate hearings on the Kavanaugh nomination? Did you watch the hearings live on television, follow the news closely about the hearings but not watch them live, read or watch some news coverage but didn't follow closely or did you not pay much attention to the hearings?

Q27a.

As you may know, Foxconn Corporation has announced it will build a large video display factory in Racine County employing up to 13,000 workers. The state is providing up to \$3 billion dollars of taxpayer money to Foxconn as an incentive to locate the plant in Wisconsin. Do you think the Foxconn plant will ultimately provide this much or more benefit to the state or is the state paying more than the plant is worth?

Q31.

As you may know, the 2010 health care law prohibits health insurance companies from denying coverage because of a person’s medical history or pre-existing conditions. How important is it to you that insurance companies continue to be required to cover pre-existing conditions: very important, somewhat important, not too important, or not at all important?

Q34.

As you may know, in 2011 a law known as Act 10 eliminated most collective bargaining for public employees in Wisconsin. Would you like to see collective bargaining for public employees returned to what it was before Act 10 was passed or keep the current law that eliminated most collective bargaining?
