

The Marquette Law School Poll

Registered Voters
 September 30 - October 4, 2020

Abstract

Registered Voters

This file contains **registered voter** crosstabulations of each non-demographic question with variables for sex, age, education, income, party identification with leaning independents, party identification without leaners, marital status, race and ethnicity, religious service attendance, religious affiliation, born again or evangelical identification, political ideology, and region of the state. To calculate the numeric size of a response, multiply the percent by the subsample size, indicated in the “n” column. **Statistics for very small samples (such as “Don’t Know” responses) have very high margins of error and should be disregarded.**

Note: questions Q32 - Q37 were added to the survey for October 2-4, after news emerged of President Trump’s positive COVID-19 diagnosis.

Q1:

Some people seem to follow what's going on in politics most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in politics most of the time, some of the time, only now and then, or hardly at all?

Q2:

What are the chances that you will vote in the November 2020 general election for president, Congress, and other offices – are you absolutely certain to vote, very likely to vote, are the chances 50-50, don't you think you will vote, or have you already voted either by absentee ballot or early in person voting?
