To arrive on a [sex cam](#) site full of Latin and Brazilian women is not something ordinary, so that's what this is about, on [Camera Prive](#). The site looks nice and so do the models. The video chat quality isn't always the same and there's no reference of HD, but usually works great and the charge for private chat is cheap.

If you suppose the site is French because of the name "prive" which means private in French, you are wrong, in fact, is a Brazilian one, obviously, is a good place to spend time with these Latin hotties, there is also "trans" category if you are searching that or just out of curiosity. These selections are on top of the page with a quick click away you will see who is online, there's also a "guys" section.

The [Camera Prive](#) design is pretty normal for a [live sex site](#), it's crisp and easy to use and slight shows the models online, as well as those offline, has a lot of performers registered but in general, you will find a few hundred online any time of the day. Sadly, they have no advanced search which would be very useful for quick find your preferred performers.

There are [free chat rooms](#) all the models will let you [live cam](#) them live without any costs, generally there's no nudity but, some of them do more in free chat for convincing they are the right choice, also have a translation feature on free chat which helps to cross the language barrier. One thing is quite annoying, even if it's free, to be able for a conversation with the performers, need at least three credits in your account, It's possible to see her [live cam](#) but you can't write in the chat room.

To spend some private time you should purchase a few credits. Watching at the packages the price is good, 1\$- 2 credits and girls are charging usually \$ 1.35/ minute nude show and \$ 2.40/minute [private show](#). Even if you will not see the HD symbol usually the quality webcams is good.
